

Strawberry Halo

Serves 6-8

INGREDIENTS

1 ¼ c. Strawberries
¼ c. Sugar
1 ¼ c. Water
1 tsp. Fiberagar® (powder)
Condensed milk to decorate

PREPARATION

1. Clean and lightly crush strawberries, do not puree.
2. Boil water, add FIBERAGAR® and stir for 1 minute. Remove from heat and add sugar. Mix well.
3. Add strawberries and pour into a moulding pan. Leave to cool for 2 hours until it jellifies.
4. Remove from moulding pan and decorate with condensed milk.
